

Bell Jar Lanterns, Hall Lanterns & Drum Shade Pendants

Our Bell Jar Lanterns and Hall Lanterns are each hand crafted using early, original designs and turn-of-the-century manufacturing techniques. All hardware is solid brass including a fancy embossed canopy, embossed banding, the "bird's head" chain loops, and socket cluster. Our New Drum Shade Pendants are high quality fixtures with a distinct Mid-Century Modern style

To learn more about our beautiful hand made Bell Jar Lanterns, Hall Lanterns, and Drum Shade Pendants, see us on the web @ www.bplampsupply.com or call us at 1-800-822-3450

General Ordering Information & Policies

INFORMATION FOR ORDERING

- **ALL SALES ARE WHOLESALE ONLY**
- **PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE. FOR COMPLETE UP-TO-DATE PRICING, PLEASE VISIT: www.bplampsupply.com**
- **FOR COMPLETE ORDERING INFORMATION AND POLICIES, VISIT: www.bplampsupply.com/shipping.php**

BEST VALUE GUARANTEE:

While we often have the lowest price on a product, our goal is to offer you the best value. Factors such as product design, weight, material, color, proper fit and pricing all come together for the overall value of the product. Don't be fooled by cheaper prices and cheaper quality. Regardless of where you currently buy, you owe it to yourself to compare the pricing and quality of our lamp parts to the competition. You have our money-back guarantee if not satisfied.

MINIMUM ORDERS:

All minimum orders are \$25.00. All orders under the \$25.00 minimum will be assessed a \$15.00 additional charge to cover the expense of packing and handling.

ASSORTMENTS:

We want to help you save money! Please pay special attention to the assortment information on each price list page. All numbers enclosed within the same bracket may be assorted for the quantity price reduction. Numbers from one bracket may not be assorted with numbers from another bracket except where noted.

PRE-PRICING DATA CARDS

Available For Fabric Shades Only - Pre-pricing data cards are available on orders of \$1500.00 and up.

FREIGHT ALLOWANCE POLICY

NEW 5-15 FREIGHT POLICY W/FREE SHIPPING!

Your single shipment with an invoice total of \$500.00 or more entitles you to a 5% FREIGHT ALLOWANCE discount, which will be itemized and deducted from your merchandise total.

Your single shipment with an invoice total of \$1500.00 or more WILL BE SHIPPED FREE!

Freight allowance and Free Prepaid Shipping applies only to merchandise on hand at the time of shipment and invoices paid within 30 days from the date of the invoice. The 5% freight allowance may not be applied to free freight paid shipments. Special Value Items, Closeout Items, Whale Sale, and Net (distributor) items may not be included in the \$500.00 invoice total for freight allowance or the \$1500.00 pre-paid freight invoice total. B & P Lamp reserves the right to choose the method of shipping on orders that qualify for free pre-paid shipping. Customers will be responsible for any special carrier handling charges which may include inside delivery fees, residential delivery fees, lift gate services, re-delivery fees, etc. C.O.D shipments and large shipments of chimney glass may be disqualified from our free paid freight policy. This freight policy applies only to shipments within the Continental USA.

We ship orders on a first-come, first-served basis and make every effort to ship your order as soon as possible. Most orders are shipped within 2-3 days after their receipt.

FREIGHT RECOMMENDATIONS & CHARGES

All orders are shipped by your preferred method. If no specific carrier is specified, we will use the best value shipping option for your order. Most orders will ship via ground service unless we are instructed by you to use expedited services. We charge customers the carrier's published shipping rate for the weight and zone of the order. This amount is not exactly known until the order is packed. We can provide quotes for shipping as needed.

For all large orders of glass lampshades, lamp chimneys, or fabric lampshades we highly recommend Motor Freight (truck) shipping. We carefully prepare all motor freight shipments by first boxing, then "stretch-wrapping" all cartons to a wooden skid. The chances for breakage of glass items is greatly reduced using this method. Also, motor freight will save you on freight charges, in most instances, when shipping a large order of fabric shades.

If you are unsure about the method of shipping you need for your order, please call us with an estimation of your items and quantities and we will gladly advise you on the best shipping options.

When paying by check please add 20% estimated shipping to the merchandise total. Any difference in commercial charges will be credited or charged to your account.

SPECIAL CHARGES:

Due to factors beyond our control, special charges apply to certain shipments and/or items. 1) Because UPS and FedEx Ground honor fewer than 50% of our claims, we must charge a handling fee of \$1.00 per carton for UPS and FedEx Ground shipments and \$1.50 per carton on C.O.D. shipments. 2) Due to the structural sensitivity of 14"-diameter and larger shades, they must be repacked and heavily padded prior to shipment. On orders shipped by UPS or FedEx Ground, we must charge a \$1.00 per carton packing charge on 14"-24"-diameter glass and fabric shades. An additional charge per carton will be included in our shipping charges for packing materials which are not included in the cost of our products.

BACK ORDERS, REORDERS & DISCONTINUED ITEMS:

Any items not shipped with your order will automatically be put on back order (BO) to be shipped as soon as possible (provided the item meets a \$30.00 minimum). If you do not want back orders, notify us and your request will be permanently noted on your file. If your back order is more than 60 days old we will call before shipping. You may cancel your back order at any time prior to shipping. Reordered items (RO) must be ordered again. Discontinued (Disc) items are no longer available.

CREDIT & PAYMENT POLICIES

TERMS:

1% 10 days - net 30 days. There is a 1.5% charge per month on delinquent accounts. Credit will be cancelled on accounts 60 days past due. A check for the full order amount must accompany orders from new accounts until credit is established, unless C.O.D. or a credit card is specified.

CHARGE ACCOUNTS:

We will gladly ship on open-charge account to customers with acceptable credit references. To establish credit, submit two business references and the name of your bank. Please send complete addresses.

CREDIT CARDS:

If you have not established credit with B & P Lamp you may use a MasterCard, VISA, Discover, or American Express credit card. Carefully include your credit card number, expiration date, the C.I.D. number (last 3 numbers on back of card

above your signature), and the cardholder's name and credit card billing address.

PAYPAL: We now accept **PayPal** payments!

C.O.D. ORDERS:

For established accounts there is no deposit for C.O.D. orders. For NEW ACCOUNTS, a deposit of 25% must accompany your C.O.D. order.

DAMAGE CLAIMS

RETURNED CHECKS:

Any check returned for non-payment will be subject to a \$30.00 service charge. Once a check has been returned, we may no longer accept checks from that individual or business.

All shipments are carefully packed by our experienced professional packers in accordance with existing requirements and practices. We are sincerely interested in keeping breakage to a minimum to reduce inconvenience to our customers and to our own administrative staff. **Nevertheless, breakage will occur and we cannot accept responsibility after we have received the carrier's receipt for merchandise received in good order.**

Should damage occur in transit, **DO NOT REFUSE TO ACCEPT THE SHIPMENT** as this will cause unnecessary delays and added expense.

Please file damage claims immediately as they will not be accepted after 15 days.

UPS & FEDEX GROUND CLAIMS:

If merchandise is received damaged, obtain the delivering carrier's notation of damage and notify us immediately. We will assist you in every possible way in collecting your claims for loss or damage.

Hold all merchandise and packing material in the original carton for inspection and recall, otherwise your claim cannot be paid.

PARCEL POST CLAIMS:

If merchandise is received damaged, obtain the delivering carrier's notation of damage and notify your local postmaster immediately.

MOTOR FREIGHT CLAIMS:

If merchandise is received damaged, obtain the delivering carrier's notation of damage and notify your Motor Freight carrier immediately. Hold all merchandise and packing materials in the original carton until your claim is paid.

RETURNED MERCHANDISE

AUTHORIZATION:

Merchandise ordered in error or that is defective may be returned with our authorization. To receive authorization for return, please call 800-822-3450 and have your invoice ready, as well as an itemized list of goods to be returned, and the reason for their return.

NO RETURNS WILL BE ACCEPTED AFTER 30 DAYS. Please notify us as soon as possible regarding shortages or an incorrect shipment.

RESTOCKING CHARGES:

We are always anxious to correct mistakes we make without incurring expense to you, however, merchandise ordered in error should be returned freight prepaid and there will be a 20% handling charge.

THE B & P GUARANTEE:

We guarantee every item as to quality and construction. Adjustments to your satisfaction will be made on any item found to be defective. All wired lamps and electrical fixtures are assembled with U.L. listed material; some individual fixtures are U.L. listed. Some individual table lamps are U.L. listed, and the listing mark will be displayed in the product's description.

Bell Jar Lanterns & Hall Lanterns

Hall lanterns of this design were originally made in the early 19th century for use in British Colonial and American Colonial homes. Used to illuminate as well as to decorate entrance halls, foyers, and hallways, the hall lantern offered good lighting and a warm welcome to visitors of the early colonial homes.

Our replica Hall Lanterns are all handmade like the early 19th century originals. The glass domes and smoke bells are hand blown and have copper wheel engraved motifs. The solid brass hardware is also handmade, including the canopy, chain, bezel band with griffin head hooks, and ventilator cap. We now offer your choice of 3 hardware finishes; dark antique brass, pewter, or polished and lacquered brass.

Our Hall Lanterns are offered in five sizes and each is equipped with 20" of adjustable drop chain.

- **Large Hall Lantern** with glass dome diameter of 12" x 13³/₄" deep and adjustable ceiling drop from 37" to 52". This size is recommended for 10' to 12' ceilings.
- **Medium Hall Lantern** with glass dome diameter of 10¹/₂" x 11¹/₂" deep and adjustable ceiling drop from 31" to 47". This size is recommended for 9' to 10' ceilings.
- **Small Hall Lantern** with glass dome diameter of 9¹/₂" x 9¹/₄" deep and adjustable ceiling drop from 24" to 44¹/₂". This size is recommended for 8' and 9' ceilings.
- **Tiny Hall Lantern** with glass dome diameter of 7" x 9¹/₄" deep and adjustable ceiling drop from 20¹/₂" to 39". This size is recommended for 8' and 9' ceilings.
- **"New England" Design Hall Lantern** w/glass dome diameter of 9¹/₂" x 9" deep and adjustable ceiling drop from 19" to 40". This size is for 8' and 9' ceilings.

We ship these lanterns electrified. There is a small amount of assembly required on the customer's part since the glass components are packed separate from the brass components to avoid damage.

All Hall Lanterns come complete w/heavy, cast brass canopy & chain

"Tiny Hall Lantern" 7" x 9¹/₄" deep dome, adjustable drop from 20¹/₂" to 39". This size recommended for 8' and 9' ceilings. All fixtures on this page are U.L. Listed

*Fixtures are wired and shipped knocked-down as a kit with additional rods for adjusting the ceiling drop to 21 1/2", 27 1/2", 33 1/2", or 51 1/2"

Mid-Century Shallow Drum style shades were often accessorized with white translucent acrylic diffusers top mounted for table and floor shades and both top & bottom mounted for hanging fixtures. Not only do these diffusers improve the quality of the light, especially when using energy efficient compact fluorescent or halogen light bulbs, they also add a "finished" look to many table lamps. When mounted underneath, a superior look and performance is achieved for Shallow Drum hanging fixtures.
